

Dear colleague,

You would like to present a paper in one of the AVICOM sessions in Kyoto?
Then I ask you for the following:

Please send me as soon as possible as docx file:

- your topic proposal and an abstract (not more than 15 lines)
- your full name, with title
- your short CV
- your ICOM ID number / in case of representing your institution: the ID number of the institution
- name and address of your institution

These are the topics of the AVICOM sessions:

- Global Developments
- Regional Developments
- Reducing Barriers
- Inclusion/ digital divide
- Sustainability of Databases

Please choose one of these topics for your presentation!

All contributions will be accepted in English only!

AVICOM will **review your proposal / abstract before 1 June 2019** and inform you about the decision as soon as possible.

Abstract/proposals submission deadline: 15 March 2019

I kindly ask you for the **full text** (no longer than 20 minutes): **before 30 June 2019.**

IMPORTANT for participation in the ICOM conference and the AVICOM sessions:
Only ICOM ID holders, valid for 2019 (individual or institutional) are allowed to participate and present a paper!

Thank you!

Best regards
